

fwi::grid::Grid::getXStep

create_standard_grid

main

```
graph RL; main --> create_standard_grid; create_standard_grid --> fwi_grid_Grid_getXStep
```

The diagram illustrates a call graph with three nodes arranged horizontally from right to left. The rightmost node is labeled 'main'. A blue arrow points from 'main' to the middle node, labeled 'create_standard_grid'. Another blue arrow points from 'create_standard_grid' to the leftmost node, labeled 'fwi::grid::Grid::getXStep'. The leftmost node has a gray background, while the other two have white backgrounds. All nodes are rectangular with black borders.
