

fwi::grid::Grid::getSRID

create\_standard\_grid

main

```
graph RL; main --> create_standard_grid; create_standard_grid --> fwi::grid::Grid::getSRID;
```

The diagram illustrates a call stack with three frames. The rightmost frame is labeled 'main'. An arrow points from 'main' to the middle frame, labeled 'create\_standard\_grid'. Another arrow points from 'create\_standard\_grid' to the leftmost frame, labeled 'fwi::grid::Grid::getSRID'. The leftmost frame has a gray background, while the other two are white.
