

fwi::grid::Grid::getElements
Count

prepare_meteo_input

```
graph LR; A[prepare_meteo_input] --> B[fwi::grid::Grid::getElementsCount];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'fwi::grid::Grid::getElements' on the top line and 'Count' on the bottom line. The box on the right is white with a black border and contains the text 'prepare_meteo_input'. A dark blue arrow points from the right side of the white box to the left side of the gray box.
