

fwi::grid::Grid::getRows

create\_standard\_grid

main

```
graph RL; main --> create_standard_grid; create_standard_grid --> fwi::grid::Grid::getRows;
```

The diagram illustrates a call graph with three nodes arranged horizontally from right to left. The rightmost node is labeled 'main'. A blue arrow points from 'main' to the middle node, labeled 'create\_standard\_grid'. Another blue arrow points from 'create\_standard\_grid' to the leftmost node, labeled 'fwi::grid::Grid::getRows'. The 'fwi::grid::Grid::getRows' node is shaded gray, while the other two are white.
