

fwi::grid::Grid::getDate

store_meteo_input

main

```
graph RL; main --> store_meteo_input; store_meteo_input --> fwi_grid_Grid_getDate[fwi::grid::Grid::getDate];
```

The diagram illustrates a call graph with three nodes arranged horizontally from right to left. The rightmost node is labeled 'main'. A blue arrow points from 'main' to the middle node, labeled 'store_meteo_input'. Another blue arrow points from 'store_meteo_input' to the leftmost node, labeled 'fwi::grid::Grid::getDate'. The leftmost node has a gray background, while the other two are white.
